

# BIBLICAL MEANING OF VENGEANCE

**VENGEANCE**: Has to do with God's justice. It has nothing to do with hate; emotional resentment, or any type of revenge or retaliation.

But it is a necessity for **punishing offenders** and proceeds **out of a (His) love for justice**.

# JUSTICE: THE FOUNDATION OF GOD'S THRONE

**JUSTICE**: Is at the heart of God because when justice does not prevail, people lose hope, and they lose faith for even deliverance from God—AND God requires faith to get us out of any situations.

Furthermore, when justice has not been applied and people have to live in that, (with no justice), something happens to the heart of a person.

**SO, GOD HATES INJUSTICE!!!**

In other words, when injustice occurs, it gets God's attention because God hates injustice.

This action is against His **offenders**.

So, anything or anyone tampering with your destiny, trying to cripple you and make you not fulfill your destiny...will experience the Hand of God!!!

**Whatever or whomever has been tampering with your destiny and whatever has been trying to afflict you or humiliate you; whatever has been against your peace or your progress; your career or business, place of deployment, children or anything else....**

**Will face: THE VENGEANCE OF THE LORD**
