

## 2024: The Year of the Glory of God

2023 was an extremely powerful year for Soteria as God confirmed that it was indeed the Year of His Justice. Testimonies poured in confirming that vengeance and recompense (a fulfillment of His justice), were in full effect in the lives of our members. Yet, what we experienced in 2023 was only a continuance leading up to a grand finale for this Joshua generation, meaning God is not done with us. For one, we must experience a tangible manifestation of the prophetic word that we will experience “five years of BLESSING in one year.” With the understanding of the BLESSING and now, 2024 as “The Year of the Glory of God,” this year will be one of the most exciting and explosive years for the serious believer continuing to track with God. Why? Because God, in His infinite wisdom, hid His Glory within each of us and utilizing our divine gifts in every area of culture, the earth will personally meet the God we believe and talk about. No longer will there be any confusion of what God’s Glory truly is—we will demonstrate it. We will take territory for the kingdom this year; experience triumphs, and receive the wealth from Babylon as promised. Yes, through us, the earth will be filled with the *knowledge* of the glory of God. (Hab 2:14).

### Let’s seal this with the following:

- We declare that we will live a consecrated life, separating ourselves from things that do not add value to our relationship with God.
- We declare that we will lay aside all that will distract us from our call, and if it will not enhance us in our race, we choose to remove it no matter how legitimate it may be.
- We declare that we will not rob people of not receiving from God by how we spend our time.
- We declare that we are BLESSED—empowered to prosper; empowered to excel; and empowered to make a difference in this earth.
- We declare that we will rise above all negative circumstances trying to keep us from excelling in our kingdom assignments.
- We declare that the effects of THE BLESSING are visible in our lives making it undeniable that God is with us.
- We declare that THE BLESSING is on us 24/7, whether we feel it or not. It’s on us now.
- We declare the Glory of God is dwelling in us now.
- We declare every place our feet touch will be filled with the knowledge of the Glory of God.
- We decree this year will be the most explosive year of THE BLESSING and the Glory of God operating in our lives resulting in unprecedented success and increase.
- We decree others will SEE the effects of THE BLESSING on us and the Glory of God in us causing unusual and profitable invitations being granted to us.
- We decree that things will happen in our lives this year that we never expected which only THE BLESSING and Glory of God can explain.

- We declare that the Glory of God hidden in us will open wide doors of opportunities resulting in unprecedented increase in our lives.
- We declare new ideas are about to come into our hands.
- We declare new avenues of revenues are about to come into our hands.
- We declare healing is manifesting miraculously in our lives due to the Glory of God on the inside of us.
