

2025: The Year of the Greater Glory

Last year, God told us it would be a historic year for those who would align with His divine purpose to fill the earth with the knowledge of His glory. The teachings throughout the year positioned us to manifest God's glory in ways we had not known. God is saying, I am not done. He is extending the invitation once again by declaring that 2025 is the Year of the Greater Glory. "How can there be greater glory when some did not experience the glory?" That's where you are wrong. God's glory is manifested in levels, first the blade, then the ear, then the full corn in the ear. You may not see visible or tangible evidence of God's Chayil Glory (great powerful glory), but the seed has been planted and your potential is great. In 2025, God will unveil to us, how the greater glory will be manifested. It is spelled out in 2 Cor 3:18: *But we all, with uncovered face beholding as in a glass the glory of the Lord, are **changed** into the same image, **from glory to glory**, even as by the Spirit of the Lord. As we **change**, the greater glory will manifest in our lives. In other words, change brings increase or you can say: God rewards change. As we cooperate with Holy Spirit, He will reveal to each of us the changes needed in our lives to manifest the **greater glory**. Then we shall not only **say** unequivocally, "the earth will be filled with the knowledge of the Glory of God through us," but **we will manifest it**.*

These confessions (and those you develop for yourself,) will help you get there:

- I declare that I will live a consecrated life, re-committed to God and His purpose for my life.
- I will lay aside all that will distract me from my call, and if it will not enhance God's plan for my life, I choose to remove it no matter how legitimate it may seem.

Change decrees: "God"

- I thank you and receive that this year, the greater glory will show up in my life.
- I thank you that change equals increase, so I set my heart to hear and do all that Holy Spirit instructs.
- I commit myself to you and will live my life solely for the purpose of glorifying You.
- I have confidence that you will not mismanage my life so I welcome every opportunity you present for me to change.
- I let go of any associations that hinder the progress of your plans for my life this year and beyond.
- I will get and stay on the path that You have for me as Holy Spirits leads.
- I will not allow the spirit of fear to hinder the changes You are making in my life this year.
- I hear Your voice and Your voice alone I will follow.

- I decree my character will exemplify Your DNA within me: love, compassion, peace, and the power to change.
- I set my heart to hear from you daily and clearly with a heart and mind to do what you have predestined for that day.
- I set my heart to make any adjustments Holy Spirit directs in order for me to fulfill your will for my life.
- This is the year that I let go of past hurts, pet sins, and anything that will hinder or disrupt the manifestation of the greater glory in my life.
- I let go of any beliefs that have shut out or shut down what you have predestined for my life.
- This is the year that I will become skilled in walking in love, humility, compassion and obedience on purpose.
- I decree that You will be glorified in my life as I grow and develop into whom you have made me and not what others or my environment suggests.

Glory-Increase decrees:

- I decree that I will fulfill every assignment You have predestined for me in 2025 down to the last detail.
- I decree I will unleash the unlimited potential You have designed in me that will make up for any years lost due to ignorance or disobedience.
- I decree that the glory of the Lord will hit my house to such a degree, that EVERYTHING associated with me, including my ministry will benefit from it.
- I decree that the greater glory will manifest in my life with evidence that will stagger the imagination of this world.
- I decree ideas, concepts and witty inventions will come to me that will bring great wealth to me, my family, and ministry.
- I decree that irresistible favor will follow me as the glory of God is revealed in and through me.
- I decree that the double glory resident in me has been awakened and I now arise, shine, and allow it to manifest in and through me for greater influence so that you will be glorified.
- I will not allow any test (difficulty or challenge) to block my view of what's just on the other side of it – more promotion, more anointing, more revelation, more wisdom, more skill, more fruit, more joy, more increase, more glory—more!

I am your vessel of glory.
